## NOTICE TO RESIDENTS

### Community Meeting – Upcoming Street Reconstruction Project along 19<sup>th</sup> Street

Dear Upland Resident/ Property Owner,

The City of Upland is **proposing** several improvements in your neighborhood as part of the **19th Street Reconstruction Project**. The proposed upgrades include:

- **Concrete** – Sidewalks, curbs & gutters, driveway approaches, concrete spandrels, and ADA-compliant curb ramps
- **Roadway paving** – Asphalt pavement rehabilitation
- **Water improvements** – Installation of cement-mortar lined and coated (CML&C) steel pipe water main, improved water service connections, and fire hydrants
- **Proposed Traffic Calming Measures** – Including but not limited to edge lines, curb extensions, and curb bulb outs

We invite you to join us for a **Community Meeting** where you can share your feedback and learn more about the project, its timeline, and its potential impact on your neighborhood. City representatives and project staff will be available to provide more information and answer any questions you may have. This meeting is a valuable opportunity for you to stay informed and contribute your input during the design process, before the start of construction.

#### Meeting Information

**Date: Tuesday, June 9, 2026**

**Time: 6:00 PM to 7:30 PM**

**Location: Magnolia Recreation Center (North Hall) 651 W. 15<sup>th</sup> St. Upland, Ca 91786**

**Project Work Area: 19th Street – between Mountain Avenue and Euclid Avenue**

We encourage all nearby residents and property owners to attend. For any questions, please contact Kirk Swanner, Associate Engineer at (909) 291-2938 or use the QR code to visit our city website.

Thank you for your continued support and cooperation as we work to improve our city's infrastructure!

Sincerely,

**City of Upland**  
Public Works Department
