

SMART STARTUP:

Compliance, Licenses and Permits

Wednesday, September 9, 2026 | 10 a.m. – Noon

IN PERSON

Join the Inland Empire SBDC, the IRS, and the City of Moreno Valley for an essential workshop designed to set your new business up for success! Navigating the legal and financial steps of starting a business can feel overwhelming. This session breaks down the complexities of ownership into manageable, actionable steps, giving you a solid foundation to transition your business idea into a legally sound reality.

What you will learn:

- Choosing the Right Structure: The pros and cons of Sole Proprietorships, LLCs, and Corporations.
- Licensing & Permits: Navigating the required state and local regulations to operate legally.
- Smart Recordkeeping: Best practices for organizing financial records to maximize tax deductions and maintain audit readiness.
- No-cost services offered by the OCIE SBDC
