WORKING TOGETHER IN UPLAND

Homelessness is a very difficult and painful truth for too many individuals. This issue is one that comes with empathy, questions, and concerns. Making a real impact on homelessness requires a community-wide effort from the city, residents, local non-profits, faith-based organizations, and community partners working together.

At the Upland Police Department, there is an IMPACT Team, a Homeless Coordinator, and Behavioral Health Team - Triage, Engagement, and Support Team (TEST) who are dedicated to helping those who are facing homelessness in the City of Upland. This collaboration allows for proactive outreach with enforcement of the law. Our goal is to help those in need with integrity, respect, and compassion all while leaving a lasting IMPACT.
