Description: Widen Driveway Approach to Max allowance of 24'. We get a lot of traffic from east and west on 7th ave and intersecting traffic from S Concord Way across the street from us which makes it very dangerous to back out of our driveway. I have novice drivers in the family and would like to prevent a traffic collision. I would also like to paint the Curb east of the widened driveway approach to prevent cars from parking which will further aid preventing an accident and increase our line of sight when backing out of our home. Thank you.
