

14th Street Rehabilitation 2nd Community Meeting

Public Works Department
April 08, 2026

Bob Critchfield, Engineering Manager
Hector Gonzalez, Senior Engineer
Elizabeth Ricci, Customer Service Specialist II

Project Background

14th Street Pavement Rehabilitation & Utility Improvements

14th St. Pavement Rehab & Utility Imp.

Project Background

- January 13, 2025
 - City Council Approved Award for Design Services to H.R. Green
 - Survey – Existing Vertical and Horizontal Alignment
 - Utility Notifications – Contact Gas Company, Southern California Edison, etc.
 - 30% Design Drawings – Early stage of the plan set.
- September 23rd, 2025 – First Community Meeting Held:
 - 14th Street from Campus Ave to Grove Ave
 - Resident feedback relating to traffic calming measures
 - Sticky note exercise on roadway exhibit.

14th St. Pavement Rehab & Utility Imp.

Project Background

- Project Scope
 - Concrete sidewalks, ADA ramps, curb & gutter, spandrels, cross-gutters
 - Water main upgrade (13th Avenue to Grove Avenue)
 - Replacement of brick sewer manholes
 - Traffic signal improvements
 - Roadway rubberized hot mix asphalt paving
 - Traffic calming measures
- Project Budget:
 - \$2,000,000 Roadway Maintenance and Rehabilitation Account (RMRA)
 - \$700,000 Water Utility Fund

Data Analysis

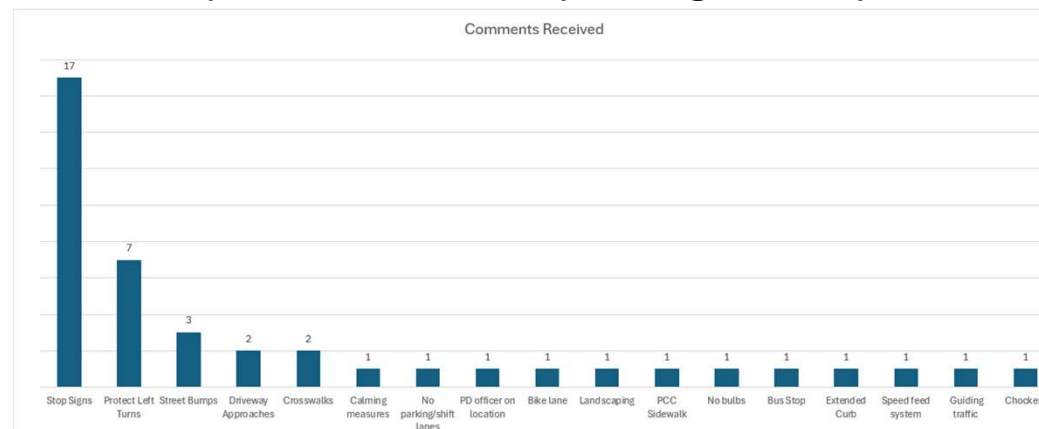

14th St. Pavement Rehab & Utility Imp.

14th St. Pavement Rehab & Utility Imp.

Data Analysis

- Community Meeting Attendance
 - 20 People attended the meeting and provided comments
- Majority of Comments
 - Total of 43 comments received
 - 17 comments for stop control along limits of the project
 - 7 comments for protected left turn phasing at Campus Ave and 14th Street

14th St. Pavement Rehab & Utility Imp.

Data Analysis

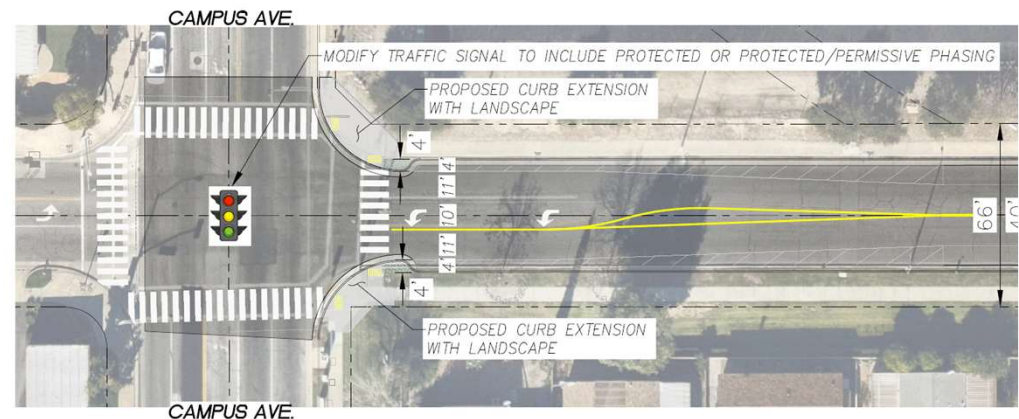

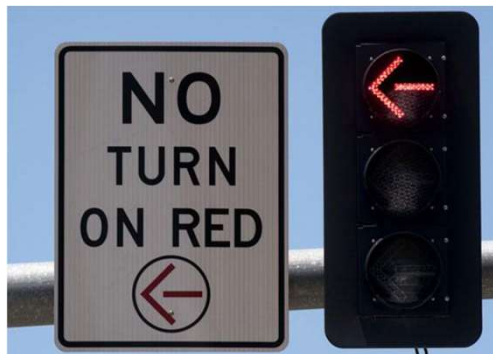

Location	Comments	Topic
14th St & Edgefield St. (32)	Test run of stop sign at Edgefield St. and 3 way stop at Grove Ave. before construction. How to get trailer out.	Stop Sign
14th St & Edgefield St. (32)	Stop Sign at this location.	Stop Sign
14th St. & Fernando Ave. (Between 37 & 38)	Stop Sign at this location.	Stop Sign
14th St. & Fernando Ave. (Between 37 & 38)	Add stop signs to 14th St. to deter traffic to stop using Grove Ave. & 14th St., traffic can go foothill BL to Campus Ave. or Euclid Ave.	Stop Sign
14th St. & Fernando Ave. (Between 37 & 38)	3 way stop sign on Fernando Ave. & 14th St.	Stop Sign
14th St. & Fernando Ave. (Between 37 & 38)	Add Stop sign at Fernando Ave.	Stop Sign
East & West bound on 14th St & Alta Ave. intersection. (Between 48 & 50)	Need a Stop Sign	Stop Sign
East & West bound on 14th St & Alta Ave. intersection. (Between 48 & 50)	Stop sign install request	Stop Sign
On 14th St & Alta Ave. intersection. (Between 48 & 50)	Add a 4 way stop	Stop Sign
14th St. & Monte Verde Ave. (53)	4 ways stop sign to all the streets that cross 14th St. from From Campus Ave. to Grove Ave.	Stop Sign
14th St & Monte Verde Ave. intersection. (Between 52 & 53)	Turn 2 way stop into a 4 way stop, when we slow to so over dip the other traffic thinks we are stopping	Stop Sign
1403 14th St. (58)	3 way stop signs north south on Grove Ave. & 14th St.	Stop Sign
Grove Ave. & 14th St. (58)	Light stop sign at this intersection	Stop Sign
Grove Ave. & 14th St. (58)	LED Stop sign on Grove Ave. & 14th St.	Stop Sign
Grove Ave. & 14th St. (58)	LED Stop sign on northwest corner Grove Ave. & 14th St.	Stop Sign
Grove Ave. & 14th St. (58)	3 way stop sign on Grove Ave. & 14th St.	Stop Sign
Grove Ave. & 14th St. (58)	Add Grove Ave. stop sign to deter traffic to not go on Grove Ave. to 14th St. to Campus Ave.-Grove Ave. & 13th St. stop sign has a cross walk- Grove Ave. & 14th St. stop sign.	Stop Sign
14th St & Campus Ave. (22)	left turn arrow at all 4 directions at 14th St & Campus Ave.	Left turn
Campus Ave & 14th St. (22)	Meter turn pockets	Left turn
Campus Ave & 14th St. (22)	Designated turn arrows on Campus Ave. & 14th St.	Left turn
Campus Ave & 14th St. (22)	Turn Lights- accident history request from traffic division for dedicated left turn lane.	Left turn
Campus Ave & 14th St. (22)	Green extended curbs are a death trap for bicycles. My husband 3 wheel bike is 34" wide. <i>Are you taking out he left turn lanes?</i>	Left turn
Campus Ave & 14th St. (22)	No pockets, wider left turn lanes	Left turn
(Between 24 & 25)	Elimanate calming, put the \$ into left turn lights at Campus Ave.	Left turn
1445 E. 14th St. (55)	Why have bumps outs between Alta Ave. to Grove Ave.? We have stop signs and drainage dips concerned with cost.	Street Bumps
Grove Ave. & 14th St. (58)	No bumps outs at 14th St and Grove. Concern that the bumps out at 14th St. and Grove Ave. will cause issues with making a right on Grove Ave. without going into oncoming tra	Street Bumps
Grove Ave. & 14th St. (58)	No bumps out hazard turning right from 14th St. onto Grove Ave., would have to go into traffic driving north on Grove Ave. especially when homeowner parks on street.	Street Bumps
22 ?	Wider driveway approaches.	Driveway approaches.
1418 14th St. (54)	Wider driveway approaches.	Driveway approaches.
14th St. & 13th Ave (between 46 & 47)	Raised crosswalk with reflectors or lights in crosswalk	Crosswalks
Request in general	General request to Raise cross walks	Crosswalks
22	As someone who was a teenager driving across 6th Ave. in Ontario you can absolutely speed around traffic "calming". Have another meeting to let us see the new designed	Calming measures
22 ?	Shift lanes futher north, No parking on north end, to allow parking on the south side of roadway.	No parking/shift lanes
Campus Ave & 14th St. (22)	COP on duty	PD officer on location
Campus Ave. to 13th St.?	Add bike lane to reduce speed limit though residential area. FM 35 to 30 Campus to 13th St.	Bike lane
(Between 27 & 28)	Cement the landscaping (weeds) on the north side of 14th st. below the dry dock depot fencing.	Landscaping
(Between 27 & 28)	Request for PCC sidewalk to mitigate weeds. Brightview not doing a good job.	PCC Sidewalk
14th St & Edgefield St. (32)	Do not want bulbs at this location.	No bulbs
Between 1257 & 1269 E. 4th St. (43)	Bus Stop Mutcoo sign	Bus Stop
1430 14th St. (55)	Green curb extension in front of house Bad Idea-Parking taken away, Trash trucks completely block road, pushes bikes into traffic.	Extended Curb
Grove Ave. (38)	Intall speed feed back system on Grove Ave.	Speed feed system
Grove Ave. & 14th St. (58)	Have google not guide traffic to go up Grove Ave. to 14th St. to Campus Ave. Instead traffic on Foothill BL. go north on Campus Ave. or Euclid Ave.	Guiding traffic
Grove Ave. & 14th St. (58)	NO CHOCKERS PERIOD!	Chockers

14th St. Pavement Rehab & Utility Imp.

Data Analysis

- Revisions to proposed improvements
 - Campus Ave at 14th Street
 - Modify Traffic Signal to Include Protected or Protected/Permissive Phasing

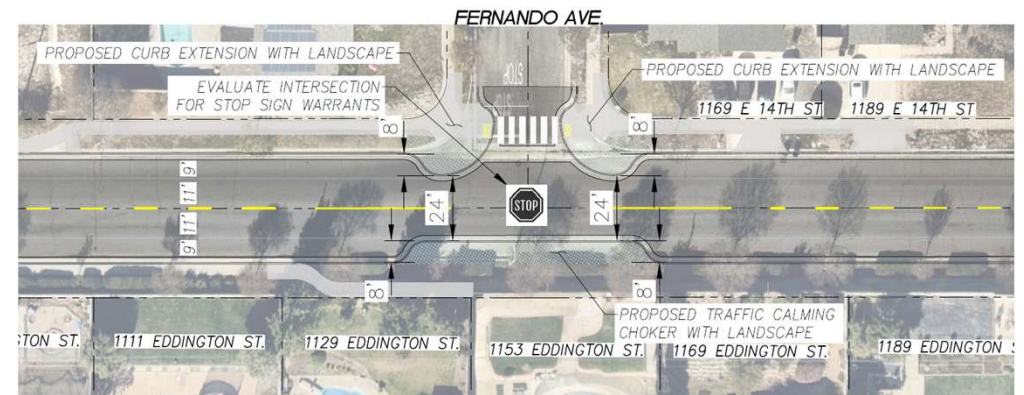

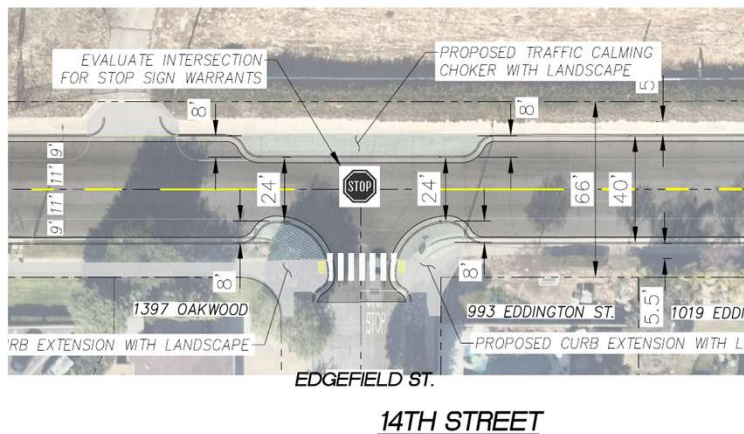

14th St. Pavement Rehab & Utility Imp.

Data Analysis

- Revisions to proposed improvements
 - Evaluation of Intersection for Stop Sign Warrants
 - 14th Street and Edgefield Street
 - 14th Street and Fernando Avenue
