CITY OF UPLAND BUSINESS LICENSING: ALCOHOLIC BEVERAGE CONTROL

Alcoholic Beverage Control License (ABC Licenses)

Businesses that sell or serve alcohol (beer, wine, distilled spirits (liquor)) are required to obtain an Alcoholic Beverage Control License from the State of California.

Upland businesses who require an ABC license will need to contact their assigned local district office:

Riverside Alcoholic Beverage Control Office

3737 Main Street Suite 900

Riverside, CA 92501

(951) 781-0531

Riverside@abc.ca.gov

For more information or questions regarding obtaining an Alcoholic Beverage Control License, you may also contact the Alcoholic Beverage Control Board at (657) 205-3533.

Please note: If your Upland business is involved with field service and/or consumption of alcohol beverages, the ABC license is still required. This means that an ABC license is required if your business does not sell or serve alcohol but allows consumption of alcohol on the property.
